I HAVE QUESTIONS 1 | How do I do THAT?

Most anything that catches on has to be caught.

More is _____ than _____.

This includes FAITH.

WHY do we struggle with sharing our faith?

One problem is, there's a whole lot of _____ not sharing.

A second problem is that we feel like we have to be _____.

We don't. We just need to be open to being _____.
(Ephesians 4:11-13, 1 Peter 3:15-16)

Another problem is we're not _____ to share.

So what do we do?

Sharing Faith was a fire that _____.

Jesus established the _____ of sharing _____.

Jesus made sharing faith His FOCUS. (Luke 4:43)

Jesus CELEBRATED Disciples SEEING His FOCUS. (Matthew 13:16-19)

Jesus made HIS focus OUR focus. (Matthew 28:18-20)

The _____ Effect. (2 Cor. 11:23-30, Acts 26:28-29)

The Roman _____.

The Momentum of _____.

The Power of Purpose _____.

The _____ of Community. (Acts 2, 17)

So, what about US?

1-Sharing is Caring, Pushing is _____. (1 Peter 3:15-16)

2- We're talking about _____, not settling for BEING HEARD. (1 Peter 2:12)

3- We're talking about a _____, not a POLITICAL PROGRAM. (Luke 6:32-36)

4-We're talking about _____ in COMMUNITY, not _____ for CONVERSION. (1 Peter 4:11)

So HOW do I do this? Colossians 4:2-6
